Re : Professor Baker's Manual on English Pronunciation

To : Superintendents of Schools

Ladies and Gentlemen:

The above manual has been forwarded to you in number sufficient to supply each English teacher with copy.

While the entire manual is important particular attention is called to pages 3 to 14, inclusive, and to all of the drills on pages 14-35.

Teachers wishing to delve further in this aspect of modern language teaching will find a rich bibliography on pages 38-40.

Before the close of the year we would appreciate individual reports from your English teachers, transmitted through your offices, indicating their opinion of the value of this manual together with a brief discussion of any tangible results obtained through its use.

Yours very truly,

(Signed) JOSE PADIN  
Commissioner of Education
